

HOW TO ORDER A “GRAVE SPECIFIC” WREATH FROM WREATHS ACROSS AMERICA

From our Support Committee’s website: <https://calvertonsupport.com/> Click on the SPONSOR WREATHS button on the top of the page. You will be re-directed to the Wreaths Across America Splash Page set up for our Committee.

On the WAA Home Page for our Committee, click the SPONSOR WREATHS button again.

(If you click the “Volunteer Button” next to it, you’ll be redirected back to the Support Committee’s website page for the next WAA event. There, you can download our Participation / Sign-Up Form if you wish to Volunteer and place our general – sponsored wreaths, the regular donated wreaths, which will be placed in 2 or 3 sections of Calverton, as determined by the Support Committee. Those sections are rotated, year to year to give each section “a chance” to be decorated. *Wreaths Across America* does NOT supply wreaths to cover the entire Cemetery.)

On the next screen, click the area on the bottom that states “Grave Specific.”

The only other choice you have, on the top half of this screen, is to “Sponsor” or Donate a wreath that the volunteers will place in certain sections on Wreaths Across America Day. This is where families, friends and companies can choose to donate “to the cause.” Wreaths ordered here are NOT for personal use. Also, the number of wreaths you order may not equal the number of wreaths that you may pick up from the Committee on WAA Day. We need to provide ALL Donated wreaths to ALL volunteers that come out that day.

If one of our Volunteers is placing your wreath, we NEED as much information as you can give us. It will greatly assist us in finding your Loved One's grave site. Our "Find A Grave" link, located on the Support Committee's website Home Page, will provide a great deal of information, including a section number and gravesite number. It is the same VA database that is used at the Cemetery's Administration Building.

Do you have more relatives or friends that you want to get a wreath for? Then, click this box each and every time to enter the next person's information.

After you have entered ALL the individuals, click "PROCEED TO CHECKOUT".

IF you have more than one person that you wish to get a grave site wreath for, CLICK "Add another of this item" and enter the next person's Name, Section Number, Gravesite Number, etc. You HAVE TO do this so that each Grave Specific wreath has the correct Name associated with it. Our Committee won't know this information until you inform us this way. IF you order 5 Grave Specific Wreaths, then we need 5 Names to go with that order.

Then CLICK on "PROCEED TO CHECKOUT."

You should NOT order 5 general sponsored wreaths (the donated kind) to accomplish your task. We won't have your loved one's names and you won't get your wreaths on WAA Day.

Make sure you see "Grave Specific" in your cart and the Quantity matches the number of wreaths that you wanted for your loved ones and friends.

If you ordered a wreath as a general Donation to the event, then "Wreath Sponsorship" will come up in your Shopping Cart. These will NOT have your name associated with the wreath on placement day and are NOT for personal use.

You can REVIEW the items in your cart to make sure that you ordered them correctly.

Remember, the "Wreath Sponsorship" wreath is a Donation to the overall count of wreaths that our Volunteers will place in designated sections. These are NOT for personal use.

"Grave Specific" wreaths ARE for your personal use. If you entered more than 1 loved one's name to get a gravesite wreath, the quantity number should match your final count.

Then CLICK on "START CHECKOUT."

 Enter Your Email Address, which is required. If you've ordered from WAA before, their system WILL remember you.

If you are a NEW customer, they will never forget you !

If the Order Summary window, on the right side is all correct, then complete the BILLING and PAYMENT windows requested.

After that, just CLICK the "PLACE ORDER" button on the bottom. You will get a receipt emailed back to you.

You CAN combine general sponsored wreaths (the donated wreaths) with a Grave Specific wreath and pay just once, as illustrated here. The "Sponsored Wreath" will also show up in the Order Summary Box on the right side of the screen.

You'll need a valid Email address to enter. The Order Summary window is a final "double check" for you. Once you provide your Billing and Payment information and click "PLACE ORDER", the Support Committee cannot change anything for you.

For example, if you order a "Wreath Sponsorship" wreath and now want it for a loved one's gravesite, we will NOT be able to change or adjust this to a "Grave Specific" wreath for you, despite the fact that they are both the same price.

A Specific Name is required for each Grave Specific Wreath !

THANK YOU FOR YOUR CONTINUED SUPPORT OF THIS EVENT AT CALVERTON NATIONAL CEMETERY.
